Hi Vitaliy,

Sorry it's taken so long to get back to you. I wanted to pass on some of the comments and feedback from the teachers about your wonderful program!

"The spokesman was excellent - very engaging and responsive to our audience."

"The students really enjoyed the singing and dancing. They also enjoyed watching their peers participate in the program."

"The kindergarten students remained attentive throughout the entire program."

"The students were very interested in the novel instruments, they loved the dancing and the songs sung in Russian, as well as the beautiful colorful costumes."

"The interaction between the performers and the students was great! I loved the different instruments."

Thanks again!

Take care,
Pamela Rosin
