Dear Vitaliy,

I am writing to tell you how much the performance by Moscow Nights and the Golden Gates was enjoyed by our audience. We received many favorable comments following the performance. It was truly a wonderful opportunity to experience the Russian culture through folk music from various locations in Russia.

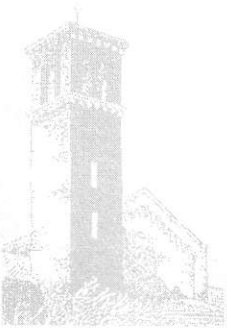

The musicians were well trained and skilled and the dancers were excellent. We especially appreciated the variety in the program as well as the portions that included audience participation.

We wish you the best of luck on the remainder of your tour. Thanks again for a great cultural experience!

Sincerely,

Daniel Schmal
